ONLY WHAT GOD CAN DO

Ephesians 3:14-21 (NKJV)

For this reason I bow my knees to the Father of our Lord Jesus Christ, 15 from whom the whole family in heaven and earth is named, 16 that He would grant you, according to the riches of His glory, to be strengthened with might through His Spirit in the inner man, 17 that Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, 18 may be able to comprehend with all the saints what is the width and length and depth and height— 19 to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God. 20 Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, 21 to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.

What an amazing year 2022 has been in the life of the church in Saluda Baptist Association. I use the singular of the word church because we, as brothers and sisters in Christ, are the church, the bride of Christ. Together we are making an impact for the Kingdom as we partner to accomplish His mandate to make disciples. As I read the verses in Ephesians, I am drawn to the desire of God to dwell in our hearts, to strengthen us with His Spirit, to fill us with HIM, so that we might bring Him glory. The wonderful thing about this prayer is that it only requires our faith for it to be accomplished. Our faith puts us in a place where we can be a part of things that Only God Can Do.

Think for a moment of the things you have seen and experienced this year that Only God Can Do. Maybe you have experienced a life forgiven and changed by the gospel of Christ, a marriage that is reconciled, a family made whole, an addiction overcome, a physical body that is healed on this earth or even one that experienced perfect healing by leaving this earth and now in the presence of God. We could all continue to give Glory to God for many ways He has worked in our midst, all praise and glory is to HIM.

This year your Saluda Baptist Association has begun to implement the vision of being Kingdom Partners. Many of our leaders have grown together through times of fellowship and training in our Ministers Meetings and just connecting over a cup of coffee. Make every effort this year to spend time with other leaders who serve in a ministry area like yours.

Will you consider increasing your partnership? Maybe it is through greater involvement in Mission Partnerships, strengthening your discipleship process, developing as a leader, or strengthening your administrative processes. You may consider increasing your financial support monthly or through a special offering. Ask the Lord what your next step will be.

The pages that follow tell the story of the things Only God Can Do. As you prayerfully read the testimonies and hear the vision God continues to put in front of us, I pray you will be encouraged, motivated, and challenged to continue to be a part of His work in the church. Let us continue to partner in Kingdom work!

It is a blessing and a privilege to serve you!

Serving with you,

John Watkins
Mission Strategist

Partners in Leadership

What comes to your mind when you hear the word PARTNER. It is two or more people on similar journeys, and through relationship, strengthen one another to accomplish their ultimate goals. What so many of us know is that there is such a variety of leadership positions in our churches. Sometimes pastors/ministers might feel isolated and alone in the role they are serving, like there is no one else experiencing what they are. If you feel that way you need to surround yourself with other leadership in our association and begin to be partners in your work.

There is no competition, or there shouldn't be, between what we do as churches because we are all leading people to one King whom we serve to lead people to His Kingdom. There is no reason you should feel alone in your work. Even with different styles of services, different structures of leadership, and different types of personalities in leadership, we can still learn together, support one another, and partner in the gospel work.

Decide today to make the effort to partner up with those who serve in similar ministry areas. There is great confidence that you will be blessed by building relationships with others in similar ministry areas. Seek out others to build networks of leaders in ministry as pastors, worship leaders, student leaders and children's leaders.

If you are interested in serving to network these leadership, please contact John Watkins as the SBA offices. Pastor Kyle Caudell shared some thoughts below on the importance of networks with your peers. Read his thoughts and be ready to jump in and serve with other pastors and churches.

Pastor Kyle Caudell, North Anderson Baptist

If you've been around me much at all, you've heard me say these words, "Outside of the local church itself, the most fundamental and fruitful involvement in Southern Baptist life exist on the associational level". In full disclosure, I admit that I have not always felt that way and subsequently was largely unengaged with the association early on in ministry. This was to my own detriment.

A few years ago, recognizing a lack of real, life-giving relationships with brother Pastors in our area that I had, I became intentional about my involvement with the Saluda Baptist Association. I began to network, forge friendships, attend meetings and training opportunities as well as establish ministry partnerships. This engagement has proven to be a tremendous encouragement to me personally and to the churches that I have served. I encourage you to immerse yourself in the Kingdom Partnerships that exist within the Saluda Association.

There are multiple times this coming year that you will be able to network with people who serve in the same role you do. Be on alert for the Minister Meetings and other times how you can be a Partner in Leadership?

How are you making effort to grow with others in your area of ministry? Will you commit to walking with others as ministry leaders?

Partners in Discipleship

Saluda Baptist Women's Discipleship

The purpose of Saluda Women's Discipleship is to provide practical Biblical training to equip the women in our association to live in obedience to the command of making disciples. The women that walk this discipleship journey are equipped to not only continue to grow in their own journey of faith but also begin the conversation of discipleship in their home church. You can get an understanding of how this process has impacted a participant:

From Olympya Brewer: "Taking the classes at SBA gave me the foundation and basics I needed yet still challenged me. These classes were crucial to my spiritual growth and discipline. Year one offered me a solid foundation and taught me so much about what I "thought" I already knew! Year two focused on the spiritual gifts. Learning my spiritual gift has been vital to my spiritual growth. It has allowed me the freedom to say yes to what is my gifting and no to things not for me. It has also allowed me to discover my unique place within my local body of Christ.

The next session for Saluda Women's Discipleship begins January 31, 2023. Look on our website for the registration link.

Saluda Baptist Men's Discipleship

As this area of partnership develops, we have planned two meetings next year. Monday, January 30th is our Men's Discipleship Kick-off Dinner. Our goal is not only to fellowship with brothers in Christ but also to bring ideas, processes and focus on walking as a disciple of Christ. A second date of April 24th is on the calendar to have our second Men's Discipleship meeting. Reserve these dates on your calendar so you won't miss these gatherings.

We also have a group of men that meet at our SBA offices to study, learn and grow in their faith. This discipleship group meets almost every Tuesday and starts new studies regularly. Keep an eye out to our newsletter of when the next session starts.

So how does God want you to grow in your own walk with Him? How can you be that catalyst in your church for making disciples? Will you join us as a Partner in Discipleship?

Partners in Missions

Missions Coordinator – Pam Creamer

In John 5:17 Jesus reminded us, “**My Father is always at his work** to this very day, and I too am **working**.” He is at work in Saluda Association. These are exciting days for us. God is moving among our churches. Churches of all sizes are actively engaged with the Father in His work. As we follow the Holy Spirit’s leadership in an Acts 1:8 approach we will see God move in mighty ways.

Jerusalem:

Many of our churches are reaching their communities in new and creative ways. One of those ways is Heart4Schools. With this ministry as a guide, churches are reaching the local schools in their backyards. Teachers, administration, and students are being ministered to and loved on in Jesus’ name. Resources and practical suggestions are available at www.Heart4Schools.org.

Judea:

Churches are partnering with Open Arms Refugee Ministry to reach the Afghan families that have recently been relocated to the Clemson area. Families are being adopted, resources provided, and lives changed. For more information visit www.openarmsrefugee.com.

Samaria:

Over \$2,500 in gift cards has been given to the families in Kentucky that experienced the devastation of the recent flooding. Individuals interested in hands on disaster response can attend disaster relief training provided through our state convention. **The next training is October 15, 2022, at Sweetwater Baptist Church in North Augusta.** See Randy Creamer for information or call him at 770-330-7252.

Other churches and teams are serving children and families through hands on mission trips, sports camps, and VBS. Christmas time will be a great opportunity for our churches to provide for the families in Williamsburg and Pineville Kentucky. For more information on how you can partner with Mission Development Ministry contact Chad Byce at chadbyce@gmail.com

Ends of the earth:

God may be calling you and/or your church to serve for a week, a month, or a lifetime in an international setting. Opportunities are available as God leads you to serve. Contact Pam Creamer at 678-641-3928 or the International Mission Board at 1-800-999-3113.

Partners in Missions

Missions Education and Awareness – Things Only God Can Do!

The SBA WMU has sponsored a Missions Scholarship, for college students, for many years. In 2013 the name of that scholarship was changed to the **Irene Raffini Missions Scholarship**, in Ms. Irene's honor, and continues today in her memory. Any student who attends an SBA church qualifies to apply, and something remarkable happened to one of our recipients – a three-time recipient – that only God could do! We were thrilled to learn that our scholarship funds, along with others this student received, enabled him to graduate with a four-year degree debt free! We praise the Lord for His blessings!

Four years ago, the Lord laid upon our hearts to do more financially to help our SBA churches with their own community missions. Getting the word out about our **Community Missions/Outreach Grant** began slowly, but the Lord has sent three churches our way! Each church had different needs, and we were able to financially provide help for each. One church requested \$100 to help them as they minister to international students from Anderson University. Little did they know - or we – that God had a specific student with a specific need in mind. Because the church had previously applied and received the funds, they were able to immediately respond to this student's urgent need. God purposely used this church to minister to and share His love to this international student at a critical time. We praise God for His providence and what only He can do!

Will you be a Partner on Mission?

It takes each one of us being obedient to our Lord to be on mission for Him. We cannot just say that someone else will do it because it is HIS mandate for every believer. God did not call us to all be church members. He did not call us to stay in the four walls of the church. He called us to GO! Going involves intentional effort to plan, equip, train, and submit to wherever and however He calls us.

Are you ready to GO? If you are and need help determining what that looks like at your church and in your life, let us know and we can get you pointed in the right direction.

Partners in Church Development

Steps have been taken this year by many of our churches and pastors to develop the work of their church and with future church starts in our association. Pastors and staff members have participated in groups focused on multiplying their church as well as some taking steps to RE-vision, RE-invest, and RE-vitalize their ministry and congregation. Below you will read some testimonies that help you see what is happening that Only God Can Do!

Pastor DeWayne Evans, Asaville Baptist Church - RE Cohort

I must admit at first when I heard about the RE Cohort offered through the association, I was not sure if it was for me and our church. I began to pray, and God lead me to ask John about joining. After the first meeting, I realized this was going to be something that would help me be a better Leader and Pastor of Asaville Baptist Church.

Being in my first pastorate I realized quickly I needed help, and I didn't know where to go. (Or pride didn't want me to reach out) It has been such a blessing to meet with fellow brothers in the ministry monthly and share and hear from men that have struggles and Victories in the ministry. I truly feel it has help me to be praying and working toward the vision God is showing me my own Prayer and study time, and What God is doing in my Church.

Pastor Barry Robinson, Lebanon Baptist - RE Cohort

The Cohort has offered the pastors the opportunity to examine their personal strengths and weaknesses, and how they bring them to bear on the ministries in their respective churches. With an emphasis on biblical leadership, scriptural church examples and personal introspection, the opportunity for ministry realignment and vision are brought to the forefront. Having the opportunity to work together with fellow pastors whose churches are experiencing similar challenges, obstacles, and opportunities gives each of us encouragement and accountability as we all look to set vision and possibly innovative changes to the churches that we have been called to pastor. Though personally challenging, the cohort is a real opportunity for personal ministry growth as well as mutual support.

Pastor Bud Rager, Transitional Pastor - RE Cohort

Research shows that 40% of pastors have considered leaving the ministry in the last three months. Over 70% of pastors experience loneliness and have no close friends they trust with personal matters. 70% have a lower self-image now than when they first joined the ministry.

What our Cohort does is give that safe place, surrounded by our peers, where we can be open and honest with what is going on in our lives. We can ask for prayer without worry that our situation will be gossiped about throughout the "Prayer Warriors" prayer meetings. Yes, my meaning in that sentence is clear.

The cohort is a place to share success and failures as we try to live out the call God has placed on our life. It is a gathering where we can learn and challenge each other, thus giving us tools and methods, we can take back to our churches to grow them for Kingdom work. Our cohort reassures us that our brothers are there to push us when needed, pull us when required and always stand alongside us no matter what.

Pastor Phil Blankenship, Mount Tabor Baptist - Multiplying Church Cohort

Thanks for allowing us to participate in the Church Planting Cohort. After our time in the cohort, we really feel that planting a church in the future is attainable for MTBC. The cohort was well presented in sessions that were informative. The plan for our church is posted on the door of my office. We are pursuing our goal by developing church planters to plant in 2023. I am still in contact with Josh Bradly who is an encouraging resource for us as we move forward.

Partners in Church Development

Pastor Travis Dyar, Southside Baptist - Multiplying Church Cohort

For me the MC-Cohort was a welcomed nudge in a previously shelved direction.

Pre-Pandemic several stones had been laid on the path of exploring Biblical Church Planting out of our local fellowship. Within the MC-Cohort some things were informative, while others were simply confirmational to the work that was started about 2018-2019. Probably the greatest benefit was being able to network with likeminded pastors to give and receive encouragement. Some of those men were previously know of, but not well known by me. Not only would I, but I have already recommended the opportunity to other friends in the ministry. - For the Kingdom

Where is your church? Does it need to be revitalized? Is it ready to plant a new church? Are you willing to be a partner with other churches to see Kingdom Impact? Ask the Lord if He wants you to be a part of one of these Church Development groups. New cohorts will begin in January 2023. If you are interested, you will need to attend one of the meetings below.

RE cohort interest meeting will be held November 1, 2022

Multiplying Church interest meeting will be held December 6, 2022

Listed below are ways your association office provides resources, assistance, and support as we seek to develop the church.

- Training and resources for Pastor/Staff Search
- Training/consultation for committees, deacons, leadership
- Building and safety survey and consultation
- Meeting Rooms available as needed
- Block Party and Missions Trailers for church use
- Media Equipment, Bible Studies, Large inflatable screen, projector
- Church literature drop off for redistribution to international churches
- Lead in discovering Mission-Vision-Value and Long-range Strategic Planning
- Community Demographic Services

If you don't see the need you have on this list, please do not hesitate to call our office and we will see if we can meet your need or point you to a resource that might be able to help you. We are here to serve you! We received this feedback from a recent training.

Pastor James Strickland, Homeland Park Baptist Church - *Do you know how fortunate we are to have John Watkins and the Saluda Baptist Association as a ministry partner? His expertise and experience equip him to equip all our churches in many ways. Allow me to share one of them. Church Finance! Our church voted on an updated church Finance Committee Description in March of this year. As a pastor I stay informed of the finances of the church while at the same time being guarded and careful not to overstep my involvement. I needed help getting the new committee started. Yesterday, he met with us to evaluate our current financial setup and what needed to be done to restructure our system that has been in place for over sixty years. His presentation was informative, engaging, and helpful to our entire team that, quite honestly, was looking for a place to start. Since that meeting, we have a starting point and an ally in John. He will be a tremendous resource for us as we continue to chart new days for Homeland Park Baptist Church. John was very generous with his time and loves doing these types of things. We all have a friend in John Watkins and regardless of what you need help within your church, I guarantee he has the wisdom and desire to help you, too. John's ministry to equip churches in the association begins with him and I so appreciate his leadership. Reach out to him. You will be grateful that you did.*

MINISTRY PLAN SUPPORT

We have much to be thankful as the Saluda Baptist Association. Your partner gifts have increased to where we will be very close to meeting the 2022 budget, which had been increased from 2021. While we are thankful for your increased support. There is still a need to meet our budget goal in 2022 and 2023. You were asked, last year, to look at your support and consider increasing your support to at least 1% of your undesignated receipts. If you were able to make that increase or are able to send more than 1%, what a blessing! I trust you have seen and heard how God is at work in our association. The Saluda Baptist Association Executive Team voted in support of the 2023 Ministry Plan. Even though the ministry plan total is not increased, would you consider increasing your financial support to accomplish this Vision Plan? Please remember that the Saluda Baptist Association does not receive funds from the Cooperative Program. Funds are received, almost completely, from you our partner churches.

2023 Saluda Baptist Association Ministry Plan

INCOME

Kingdom Partner Giving Goal	\$250,000.00	(Church Support)
Janie Chapman Assoc Assistance	\$4,500.00	(Estimate)

October is ...

Pastor/Staff Appreciation Month

Next month is pastor and staff appreciation month. As it approaches here are ways ideas to prayerfully consider giving to your pastor and staff in recognition of their service to God's kingdom and your local church body.

- Gift cards to local restaurants
- Provide overnight stay with meal
- Gift baskets
- Provide a month sabbatical
- Provide mission trip
